

GOOD for OLD and YOUNG

August Flower keeps the children healthy and strong. Full of vigor and frolic the whole day long. So when mamma needs more they rush off in high glee. And shout to the druggist: "Please give it to me!"

Inability to get up brisk and fresh in the morning, lack of appetite, pallor, muddy complexion and poor spirits—these all indicate a disordered stomach and bad digestion—in adults and children, too. They also indicate the urgent need of taking Green's August Flower regularly for a few days.

It's a reliable old remedy for all stomach troubles, never fails to cure indigestion, dyspepsia and chronic constipation, and is a natural tonic for body and mind.

Two sizes, 25c and 75c. All druggists

A Bumper Wheat Crop

D. H. Wampler of the base line was fortunate with his wheat crop this year. He had in 110 acres which yielded an average of 22 bushels an acre. By engaging the wheat ahead of time he got 80 cents a bushel which would be \$17.00 an acre. He purchased his farm in '94 at \$15 an acre, so his wheat crop more than yielded the price of the land, as it has several years in the past.—Carthage Democrat.

THE SOUTH'S LITERARY WEEKLY

Published at Atlanta, Ga.—Circulation Over 50,000.

The **SUNNY SOUTH** is the Great Literary Weekly of the South. It is devoted to Literature, Romance, Fact and Fiction, and gives the best of all that is current in its field. Among its contributors the most noted southern writers appear—Joel Chandler Harris, Harry Sullivan Edwards and others of growing fame. Serial stories from Anthony Hope, Maurice Thompson, Sidney R. Crockett, Mrs. George Corbett and Arthur W. Marchmont have appeared, and others are in waiting from the pen of authors of national note. A short story contest brought out nearly five hundred splendid short stories, all worthy a place in **THE SUNNY SOUTH's** readable columns. Other contests are contemplated that will successfully exploit the ripening field of talent that only needs such fostering to illustrate the wealth that is shy to assert itself.

The **SUNNY SOUTH** teems with the life of the great south. The genial sunshine warms everything into activity and the season is never cold enough to check the hand of industry. The paper comes fragrant with the breath of the magnolia and pine, and gives out the very air of the orange, palm and bay. The beauty and pathos, the romance and mystery of the land where the corn stores up the golden sunshine and the cotton whitens in the moonlight, will be given in the well-filled columns of this fascinating weekly.

The subscription price is **Only Fifty Cents** a year, alike to all persons, agents, newspapers, postmasters and every one else. Clubs of five, accompanied by the full \$2.50, entitle the club reader to the paper one year gratis.

Send on a Postal Card the names of six of your neighbors who would appreciate the opportunity to read a copy of The Sunny South, and one sample will be mailed free. You can get your club of five out of these very people.

The **SUNNY SOUTH** enters over 50,000 American homes now; and during 1901 is sure to be welcomed in fully as many more homes, as the great weekly feast of good things, the Southern Literary Weekly, whose columns for 1902 will be the most readable of all the papers that come to you.
